WE HAVE AN OPPORTUNITY TO MOVE INTO A HOUSE!

✘ The Opportunity ✘

Erin and I were contacted on April 9th by a friend who is looking for a family to rent their second home. We went and toured the house and it was WONDERFUL! Also, the cost would be only \$80 more per-month than what we are currently paying.

THE STORY

We have been absolutely blessed to rent the current condo we have been in for the past three year. Our landlord has been the best landlord we could ever have asked for. A year ago we felt that the Lord was going to answer our prayer of being able to move into a house that our kids would have a yard to play in, room to grow, great neighborhood, etc... We were

praying for something affordable and near to the community that we minister within. Well, when we got the phone call we felt that this was God's answer to our prayers... Even though all "the ducks" are not in a row yet we believe that the Lord is once again asking us to take a step of faith. Which is why we are notifying our family and friends for prayer.

Thank You

Erin and I would like to thank all of you for your wonderful friendship and for all the love and support that you all have blessed us with over the years we have been serving as missionaries with SGWM.

The Need

Erin and I started the process and notified our landlord to start the move out notice. The new landlords offer begins on May 1st. This means we need to pay

rent at two locations for the Month of May and possibly a little into June unless our current place can be rented out quickly.

The Prayer Request

- Pray for the needed Finances
 - About a \$1,000
- Pray for new renters quickly for the old condo
